

COVID-19

With a view to the coming winter season, we notice that many are already eager to get on their skis again this winter, but at the same time there is also a lot of uncertainty.

In our guesthouse we have taken the necessary precautions to ensure that your holiday is pleasant and relaxing.

We'll look of your and our safety.

To take away a bit of uncertainty, we have adjusted our cancellation conditions for next winter,

so that you can book at Pension Rosemheim without risk.

Reservations can be canceled free of charge when:

- Austria closes the borders for the country you're living in;
- when our guesthouse has to close due to Covid-19

All other circumstances are subject to the generally applicable cancellation conditions.
